Over Lorreine

Lorreine is opgericht in 2010 als leverancier van spoelbakken en kranen met bijbehorende accessoires voor keukenbedrijven en steenwerkers van aanrechtbladen.

Wij profileren ons in de markt door ons aanbod en onze service. We leveren unieke series spoelbakken en kranen volgens de trends op het gebied van keukendesign. Daarbij staat kwaliteit en service hoog in het vaandel en dat tegen een aantrekkelijke, concurrerende prijs.

Ook eigenschappen zoals uitstraling, kwaliteit en functionaliteit zijn erg belangrijk bij de keuze van een nieuwe spoelbak en kraan, de meest gebruikt plek in de keuken. Beide onmisbaar voor het bereiden van maaltijden, het wassen van je handen, schoonmaken van groenten en het reinigen van keukenmaterialen.

Lorreine presenteert in deze catalogus vol trots een hedendaagse lijn spoelbakken, kranen en bijbehorende accessoires van hoogwaardige kwaliteit, duurzaam en gemakkelijk te reinigen.

À propos de Lorreine

Lorreine a été fondée en 2010 comme une société fournisseur d'éviers et de robinets avec accessoires associés pour les entreprises de cuisine et les fabricants de plans de travail.

Nous nous profilons sur le marché par notre gamme de produits et notre service. Nous fournissons des gammes uniques d'éviers et de robinets qui suivent les tendances du design de la cuisine. La qualité et le service sont d'une importance capitale et ce, à un prix attractif et compétitif.

Par ailleurs, les caractéristiques telles que l'apparence, la qualité et la fonctionnalité sont très importantes dans le choix d'un nouvel évier et d'un nouveau robinet, l'endroit le plus utilisé dans la cuisine. Des éléments indispensables pour préparer les repas, se laver les mains, nettoyer les légumes et les ustensiles de cuisine.

Lorreine est fier de présenter dans ce catalogue sa ligne contemporaine d'éviers, de robinets et d'accessoires associés de haute qualité, durables et faciles à nettoyer.

Über Lorreine

Lorreine wurde 2010 als Lieferant von Spülbecken und Armaturen sowie dem dazugehörigen Zubehör für Küchenunternehmen und Herstellern von Küchenarbeitsplatten gegründet.

Wir profilieren uns auf dem Markt durch unser Angebot und unseren Service und liefern eine einzigartige Serie von Spülbecken und Armaturen, nach den letzten Trends im Bereich Küchendesign. Qualität und Service stehen dabei im Vordergrund - und das alles zu einem attraktiven und wettbewerbsfähigen Preis.

Auch Eigenschaften wie Ausstrahlung, Qualität und Funktionalität sind sehr wichtig bei der Wahl eines neuen Spülbeckens und Wasserhahns, dem meistgenutzten Ort in der Küche. Beide sind unentbehrlich für die Zubereitung von Mahlzeiten, das Händewaschen, das Putzen von Gemüse und das Reinigen von Küchenmaterialien.

Lorreine präsentiert in diesem Katalog eine zeitgemäße Linie von Spülbecken, Armaturen und dem dazugehörigen Zubehör von hoher Qualität, Langlebigkeit und mit einer einfachen Reinigung.

About Lorreine

Lorreine was founded in 2010 as a supplier of sinks and taps with accompanying accessories for kitchen businesses and people who process kitchen worktops.

We stand out in the market with our assortment and our service. We supply unique series of sinks and taps in accordance with the trends in the area of kitchen design. Quality and service are our key values, while we offer our products at attractive, competitive prices.

Appearance, quality and functionality are also highly important features when selecting a new sink and tap, being the most often used place in the kitchen. They both are indispensable when it comes to preparing meals, washing your hands, rinsing vegetables and cleaning kitchen tools.

In this catalogue, Lorreine proudly presents a contemporary line of sinks, taps and accompanying high-quality, durable and easy-to-clean accessories.
